**MUTHUKUMAR**  
**DATA SCIENTIST, GOOGLE**  
**(2013-2017) BATCH**

It is my pleasure to place on record the wonderful years I had under the auspices of EEE Department at RMD

Engineering College. I would always be grateful to RMD College for giving me a multi-dimensional learning by providing the apt mix of academics, industry exposure, attitude and leadership

**SRI HARSHA Y S**  
**Process Improvement Manager,**  
**Amazon - (2010-2014) BATCH**

During my four years in RMD Engineering College, I had received a lot of opportunities to groom myself, thanks to the ever-inspiring professors in the EEE department who helped me to discover my hidden talents. The college and EEE department in particular are always striving to achieve excellence. During our time we definitely set some benchmarks in terms of academic performance through university ranks and IEEE papers. Organising and attending national level symposiums in the college provided me with immense exposure which helped me both in my MBA and at my workplace.
